MARQUEES

Your FULLY PORTABLE promotional tool in a bag!

Perfect for indoor & outdoor promotions, product launches, corporate & business events and field days.

True protection : We use only 300g polyester fabric with PVC and UV coating which ensures that THE MARQUEE will provide you with true protection from the weather.

Bright colours, vibrant images: Utilising cutting edge technology, your Custom Branded MARQUEE will give you exceptional branding and exposure. Pegs, instruction sheet, guy ropes and inner carry bag fit snug inside a heavy-duty roller bag.

Enhanced frame strength: Our frame of choice: The Altegra Marquee Frame made using 50mm tough, reinforced Aluminium.

Flexibility and Choice: Perfectly suited to both indoor and outdoor uses in a range of 3 sizes to give you maximum flexibility:

3m x 3m

3m x 4.5m

3m x 6m

Easy Assembly: 2 people and around 60 seconds for assembly & pack-up - it's that easy!

For more details - ask here for the Marquee Specs Document!
